Presidential Message

Happy New Year! As we embrace the New Year we are in a better position than ever to grow aviation knowledge within our community. Hangar projects are coming together and it is exciting to see parts and pieces become aircraft which will soon fly. Our Youth Program continues to grow and it is awesome to see the excitement in the kid's eyes as their efforts are becoming reality.

I encourage everyone reading this to become more involved. Show up and learn, share stories and make memories. We now have one of the most active chapters in the country. Tell your friends, or better yet bring them to an event. Make the most of the comradery as we are very fortunate to belong to EAA Chapter 534.

Joel
